

## **SPOTLIGHT:** ***Barbara Bowers***

**Q: What is your professional or volunteer background?**

**A:** I am a nurse, and emerita faculty member at UW Madison School of Nursing. Much of my career has been focused on research that is designed to learn and disseminate improved care practices and ways to improve the work life of long term care workers.

**Q: What do you like to do when you're not volunteering for Capitol Lakes?**

**A.** Easy question, I spend most of my time tending an extensive perennial garden.
